What do you do now and what are you planning for the future? The Guardian Force provides corporate, healthcare, residential and commercial security and safety solutions to our clients. We train students to become security professionals through internships and co-ops. Recently, we have expanded our residential safety services to include a concierge program as well. We plan to continue extending our assistance to the public while growing in a controlled manner that doesn't exceed our operational capacity by providing a high ratio of management to our clients.
